

## GREAT OLD REMEDY FOR SKIN DISEASES

S. S. S. Clears Skin of Eruptions; Drives Poison From the System.

Get it fixed in your mind that skin eruptions, Scrofula, Eczema, burning itching skin and all skin diseases are due entirely to impure and infected blood. If the trouble was on the outside of the skin, by simply washing and keeping it clean you could obtain relief—not even ointments, lotions and salves would be necessary. Agree with us in this belief, and your trouble can be relieved—you can be entirely restored to health. S. S. S. is a purely vegetable treatment that you can secure from your own druggist—it is a blood tonic that will purify your blood and cause a most decided abatement of your trouble, and finally make you entirely well. Fifty years ago S. S. S. was discovered and given to suffering mankind. During this period it has proven its remarkable curative properties as a blood purifier and tonic, and has relieved thousands of cases of disease caused by impure blood, and chronic or inherited blood diseases. You can be relieved, but you must take S. S. S. Take it if only pimples appear, for they denote bad blood, and may be followed by the sufferings from torturing skin eruptions. Therefore, be sure. Don't take chances, don't use lotions. Get S. S. S. from your druggist. If yours is a special case, write for expert medical advice to Swift Specific Co., Atlanta, Ga.

### BAD COLD QUICKLY BROKEN UP.

Mrs. Martha Wilcox, Gowanda, N. Y., writes: "I first used Chamberlain's Cough Remedy about eight years ago. At that time I had a hard cold and coughed most of the time. It proved to be just what I needed. It broke up the cold in a few days, and the cough entirely disappeared. I have told many of my friends of the good I received through using this medicine, and all who have used it speak of it in the highest terms. Obtainable everywhere." d&w

### MAKES RIFLE RECORD FOR WOMEN

Elizabeth Dean, a sixteen-year-old high school girl in Cambridge, Mass., by shooting 31 consecutive bull's-eyes on a 300-yard rifle range with a regulation army Springfield rifle has set a world's record for a girl. The slip of a girl went on to the Massachusetts rifle range at Wakefield, Mass., with her uncle, Lieut. Harry J. Dugane of Company A, Eighth regiment, M. V. M., and without a shoulder pad three fired the ten shots allowed her for each round and scored perfect bull's-eyes. The thirty-first shot was a hit, but on the next she just touched the ring nearest the center of the target and thus stopped.
